#### **Introduction of service judges**

*Special guest Kagin Lee about a new rules change for our championships*

-Kagin proposes that NCTTA Champs have service judges placed at both sides of each court to alert the umpires of an illegal serve

-Tennis and other sports have 10 officials on the court, TT should be equal

-this rule change means an illegal serving person cannot win the championships

-late rounds would utilize this--semi finals and finals

a. Service judge can tell the umpire of an illegal serve

b. Referee can appoint service judges

IN the future--we may look to utilize this with a camera--Tae's idea for having instantaneous calls on court, earpiece in umpires ear. Needs work before it can be implemented

#### **Motion to accept Kagin's rule change to allow Service Judges at each side of the championship courts in late rounds (Semi-finals and on) for the TMS 2017 College TT Championships and to include it in the NCTTA's rules**

Proposed by WL

Seconded by CW

**Motion passes:** 6-1-0

**ACTION ITEM:** WL--Put it into current NCTTA rules/regulations

#### **1. League Updates**

-29 tournaments done in 3 weeks

-some issues with communication with schools and NCTTA rules, Rules committee was busy

#### **2. Doublefish Equipment--**

Option 1: sell it all

Option 2: sell some and keep some for regional locations

Option 3: keep all of it, get a look at storage options

-BOD majority was for option 2; WL discuss with BOD on how much and options

-RK/WL is concerned to give away/sell any of it b/c of a future risk with zero equipment

#### **3. Regional Championships--are we ready? (Jay, Chris, Randy, Willy)**

-discussion about streaming, youtube monitoring and commentating, photographers

-discussion about what to do if ppl are late on their roster

#### **4. Committee updates (Coaching, Alumni, Media, Championship, Audit, Marketing, etc.)**

a. **Coaching committee**

-has been tabled until after the Champs

b. **Alumni Committee**- Concerns over lack of entries.

-The thought process is that running an event NOT at NCTTA's own events may be the issue. - Getting Regions to have events could be an option

-Sending Kaylee to the Arnold tournament to run the tournament

-Alumni wanted to solicit sponsorships from hotels, travel, etc. but TT sponsors for a % off on their TT order--was tabled for later

c. **Championship committee (Willy)**

-WL would like to change Finals to 4 out of 7 games with everything else 3 out of 5 games to leave room for banquet starting early

-alternate solution: would be to run SF's at the same time on 2 tables at 4 out of 7 games

d. **Marketing committee**

-BOD will vote on Commentator winners; JEW will follow up with potential chair--Manny

**5. Conferences in summer**

-WL is interested in attending NIRSA and Connect in August; TEAMS is in Orlando could be Joe
