- Discussion on what to do for 2026; NCTTA will put out a bid and use Playeasy vs using the traditional conferences (no one can attend this year)
- Benefit to a multi year deal in one location, then the logistical concerns are mitigated for a short period of time. There isn't a financial benefit to a multi year deal.
- Could sign a 1 year deal and after we have a 30 day renewal period? (CA)
- Bid calendar is September to January for 2026
- James adds moving tables and our stuff around is fairly expensive

### **Ball Sponsorship for next year**

- What to do? Several companies are interested

### **July BOD Mtgs**

- meeting every week, let's make sure everyone can attend; Doodle to be sent out

### **Registration/Payment Options (membership)**

- CA asks questions on this topic—now more receptive towards accepting more forms of payment

- conversation between TK and CA about this to see if this flexibility can be figured out

**Migration update (Tae/James)**

- Devs are busy!

**2026 RFP on google forms (Joe) Tabled**
