WUG UPDATE (Steph)

- Press committee option interview—
1 male 1 female player for future after the WUG is over: **ACTION ITEM:** for Press Committee to look into
- Discussion about how to continue doing trials for 2027 since rules for who does trials are specific to NGB

What is needed to restart the new season?

- Update documents page: (Rules/regulations, DD/RD handbook, elig form, RD budgets?)
- Regional dates are shrunk into 2 dates Feb. 28th and March 7th weekends and division dates are extended one more week
- Update the fee schedule page-WL will work with Dan Wang to get it updated
- Update front of NCTTA.app with correct language, updated elig. form
- updated paddle palace code for team spending of the 15% off they get?

2026 Champs

- Hotel and banquet update (Joe)-- Joe is still working with them on this
- WL asked: Can we explore [uber vouchers for rides](#)? Cyrus is working on something and we could offer each school a xyz % off discount for uber rides

- **MEDIA:** WL had a discussion with Dennis to change the Photography approach. Certain people were not a good fit.
- Several photographers refused to work with social media leaving Tae and Cedric on their own which is not fair, so specialized positions need to be looked into like: Social Media photography, photo editor, video editor
- **VOLUNTEERING--**
more specific like: Social Media photography, photo editor, video editor

NCTTA.app updates

- Cyrus updated the group that Hitoki and Michael are working on several asana tickets and have put up many PR's for Tae's approval
- Via James: Peakapong registration is still missing, looking for Tae's opinion on how to proceed. If Tae is not available we will have to use a freelancer to do this; we would rather not however
- WL states that the landing page for nctta.app needs to be updated and we are shooting for an August 25th live date to test so that we can go live on Sept. 3rd.

Internship

- Tae or Victoria did not show, we have no update

NCAA/NCTTA Committee Updates (WL)

- Brayden gave an update of this committee, they were all very excited. Sean O'Neill even created a summary document of how he thought it should go.
- Brayden will organize in the future
