**Present:** Willy Leparulo (WL), Jay Lu (JL) late, Stephanie Shih (SS), Joe Wells (JEW), Cyrus A ga (CA); Tae Kim (TK); James Wang (JW), Kagin Lee (USATT)

### **Topics for June meetings**

#### **NCTTA Rules and Regulations changes/Updates**

- New school or not nctta member for a decade membership
- Removal of certain elig. Criteria that we can't check
- Gender question addressed
- Competition Rules (Kagin thing)
- Clarifying further uniform rule "front of the shirt"
- NCTTA equipment (Kagin thing)
- 5.1d giving DD's more discretion; also in 5.2a
- Discussion of 5.1h–Columbia women situation
- Should we keep 5.2e and f?
- 5.3c changed to match what we currently do–no play requirement
- 5.4b has been questioned and is a bigger discussion–hardcore rule since our inception but some DD's want to do a different format. This creates more problems b/c we don't have the ability to report standings–a tech issue yes
- 5.4c NCTTA singles will now only be in the Spring
- 5.6c and d for more clarification on division size
- 5.7 language cleaned up
- 5.9 ratings discussion
- 6.3h to match what is actually done with regard to hosting Regional team school
- 7.3b and 6.3e with regard to nctta.app
- 7.5 is outdated, we don't even have this event or guidelines anymore

- 7.8 financial assistance hasn't been given since pre covid and quite frankly I think it should be removed

### **Approval of Peakapong Division/Champ Rules document**

- Putting document in [nctta.org](http://nctta.org) documents but needs to be cleaned up
- Chris Mar can make awards for the Peakapong Division event for free—any issues from anyone with that?

### **NCAA discussion, proposal is [here](#)**

- Are we moving forward with this initiative? If so funding is needed for the outreach specialists, marketing distribution, travel, etc.
- Still question mark if this is the right time given that diversity has been made a “bad word” nowadays
- Potential redesign of league to accommodate rules with regard to 5 women's teams playing one another; because we need 5 divisions with 4 women's teams, which may mean we need to combine women's divisions for the sake of this NCAA proposal which is outside the scope of NCTTA rules

### **NCTTA.app update**

- Tech committee updates
- Interns—their updates?
- Freelance?

### **Approve NCTTA Committees and members**

- Motion to approve committees and members

### **Approve 2025-2026 Budget**

- Go through the whole budget adjusting when/where necessary
- Adding new membership tier?
- NCAA budget?
